Corporate Tax Manager

Are you a Corporate Tax Specialist with a passion for delivering exceptional value to your clients? mgr is a place where talented people can feel appreciated and inspired. We are focused on developing our team, helping them unlock their potential and fulfil their career goals.

About mgr

With over 40 years of expertise, we're an ambitious London-headquartered accountancy practice, experiencing significant growth year on year. It's an exciting time to be part of our team.

As a medium-sized firm, we regularly punch above our weight. We enjoy collaborating and are passionate about providing a high touch, bespoke service to support our clients with their complex accounting and tax needs. As a result, many of our clients who might typically gravitate towards larger firms, choose to work with us instead.

As a member of ETL GLOBAL (a top 20 accountancy firm), our team is supported by one of the largest international networks of professionals in the accounting, tax, legal and audit sectors.

Our people

Team mgr currently comprises circa 150 people, including Partners. We are dedicated to developing our staff to reach their desired potential, and we regularly promote from within.

Our people are at the heart of everything we do, and we are committed to creating a working environment that inspires and provides opportunity. We're a diverse bunch and delight in the broader range of ideas and perspectives that this brings. We empower our people to make a difference, promoting commercial acumen and positive change.

Our location

Our London office is easily accessible. Based in St John's Wood, we're just 10 minutes from Bond Street on the Jubilee Line, or 5 minutes from Euston on the London Overground.

About the role

We are seeking an experienced Corporate Tax Manager to join our fast growing, advisory-led Corporate Tax Team. The tax team operates with dedicated Corporate and Personal Tax departments, offering strong technical collaboration and clear progression opportunities.

The role offers significant exposure to high value advisory work, direct partner interaction, and ownership of a diverse client portfolio.

This is an excellent opportunity for a commercially-minded tax professional who enjoys combining complex compliance delivery with meaningful advisory involvement, including structuring, international projects, and transaction support.

Why Join Us

- ✓ Fast growing advisory-focused tax team with strong partner exposure
- ✓ Genuine portfolio ownership and client relationship responsibility
- ✓ Collaborative culture with a strong track record of internal promotions
- ✓ Clear progression pathway supported by leadership
- ✓ Opportunity to work across owner managed businesses, SMEs and listed groups, from early stage startups through to international organisations
- ✓ You'll work with a diverse portfolio of clients across a range of sectors including real estate, green energy, technology, healthcare, media and retail
- ✓ We are also increasingly engaged in cross-border projects through our ETL GLOBAL network

Key Responsibilities

- ✓ Prepare or review advisory projects on transaction work and structuring with international exposure
- ✓ Lead and review complex corporation tax compliance assignments, including specialist areas such as REIT compliance or AVEC claims
- ✓ Manage your own client portfolio, including the full compliance lifecycle while supporting partners and clients with high-quality technical input
- ✓ Act as a trusted point of contact for clients, HMRC and third parties on a wide range of corporate tax matters
- ✓ Provide tax insights to colleagues across the firm and ensure clients are referred appropriately to other teams where beneficial
- ✓ Undertake technical research and prepare clear, pragmatic recommendations
- ✓ Line manage and support the development of junior team members, including delivering training sessions such as Lunch & Learns
- ✓ Collaborate with partners on business development initiatives and contribute to internal knowledge sharing

About you

Skills & Attributes for Success

- ✓ Strong technical corporate tax expertise with the ability to apply it commercially in both a compliance and an advisory context
- ✓ Excellent communication and interpersonal skills, with the confidence to build credibility quickly
- ✓ Proactive solutions-focused mindset with strong analytical ability and attention to detail
- ✓ Collaborative approach, supporting colleagues across the team and wider firm
- ✓ Well organised, decisive thinker able to manage deadlines and take ownership of work
- ✓ Strong IT proficiency and willingness to engage with new tools and systems

Qualifications & Experience

- ✓ Strong academic background with ACA/ACCA/CTA qualifications
- ✓ Demonstrable corporate tax experience gained in a professional environment, including complex compliance and exposure to advisory work
- ✓ Proven track record of delivering high-quality service and developing strong internal and external relationships
- ✓ Although REIT tax experience is advantageous, training and support can be provided

"This role presents a rare and exciting chance for someone keen to tap into the many opportunities arising from the growth of mgr and of its clients."

- JOEL CALITCHI, TAX PARTNER
